The Executive Council met at 10.00 hours this Friday 11 February 2011 under the chairmanship of the Chief Commissioner, Mr. G. JABEEMISSAR and has, among its deliberations:

DECIDED:

to approve that the Chief Commissioner’s Office and Commission for Fisheries will enter into a Memorandum of Understanding with the Ministry of Fisheries and Rodrigues. The objective of the Memorandum of Understanding is for the ministry to delegate its power to the Rodrigues Regional Assembly to register bank fishermen and issue a Continuous Report Book to registered bank fishermen under Section 11 of the Fisheries and Marine Resources Act 2007.

TAKEN NOTE:

(i) of the mission of the Chief Commissioner to Mauritius from 16 to 21 February 2011 during which the Chief Commissioner has been invited by the Prime Minister Dr. Navinchandra Ramgoolam G.C.S.K., F.R.C.P for a working session as well as to attend the celebration of the 75th birthday of the Labour Party. Proposals will be submitted to the Prime Minister for additional scholarships with a view of establishing a Best Student Award Scholarship for every college in Rodrigues.

(ii) that the Chief Commissioner’s Office and Commission for Education has advertised the Chief Commissioner’s Award for academic year 2011/2012 with a view to provide assistance to outstanding young persons having a professional project plan to undergo undergraduate or postgraduate studies either in Mauritius or a country of their choice.

Under the scheme, two scholarships will be offered to qualified candidates. The scholarship will cover a period of 3 years of study and provides for tuition fees and appropriate allowances up to a maximum of Rs 300,000 per year all inclusive.

.../2
of the results of HSC/GCE “A” Level Examinations for year 2010 with an overall pass rate of 75.73% compared to 73.13% in 2009, representing an increase of 2.6% points.

The two laureates and four most performing boys and girls as submitted by the Mauritius Examinations Syndicate are as follows:-

of the outcome of the mission to Mauritius from 7 to 10 February 2011 of the delegation led by the Commissioner for Youth and Sports during which there was excellent response with Ministers and top officials of their respective Ministries. The delegation had working sessions with:

a. Hon. Mrs Leela Devi Dookun-Luchoomun, Minister of Social Security, National Solidarity and Reform Institutions;

b. Hon. Satyaprakash Ritoo, Minister of Youth and Sports;

c. Hon. Tassarajen Pillay Chedumbrum, Minister of Information and Communication Technology;

d. Hon. Shakeel Ahmed Yousuf Abdul Razack Mohamed, Minister of Labour, Industrial Relations and Employment;

e. Hon. Ashit Kumar Gungah, Minister of Civil Service and Administrative Reforms; and

f. other officials of Ministry of Finance and Economic Development, Mauritius Football Association and Corporate Social Responsibility Committee.
(v) that Mrs. Eugenie Victorine GENAVE of Latanier will celebrate her 100th birthday on 20 February 2011. As in the case of previous centenarians of Rodrigues, the Commission for Social Security will provide assistance to her family to organize a birthday party in the hall of Antoinette Prudence RCA School to which will be invited the Minister of Social Security or a Representative members of the Executive Council and Religious Authorities, the dignitaries, personalities, relatives and friends of the centenarian. Gifts will also be offered to the new centenarian.

(vi) that the Commission for Water Resources will start the project for the promotion of Rain Water Harvesting Project for household in Rodrigues. Some 500 concrete water tanks of 6 metre cube will be constructed for vulnerable families around Rodrigues.

(vii) that the Commission for Water Resources will initiate procedures for the refurbishment of the two mobile filter plants which have been lying dormant. Once refurbished, the two Mobile Filter Plants will be used islandwide. Water extracted from small sources like those of Saint Gabriel, Repoisor, Cascade Jean Louis, etc. will be filtered to provide better quality of drinking water.

(viii) that the Commission for Water Resources will install a fibre glass water tank of dimension 7/10 m$^3$ as well as a direct connection from Hauteur Accacia Reservoir with a view to provide the inhabitants of Fond Camp du Roi with potable water.
